

## Payment Assistance Policy

We understand that there may be times when you have difficulty paying your bills for different reasons. Regardless of the reason, or whether you require short or long term assistance, you have **a right to apply for financial hardship assistance with Flip.**

This policy sets out how Flip can work with you to develop the best possible solution for your individual circumstances.

Applying for financial hardship assistance or entering a payment arrangement under this policy is free of charge. You can apply whenever you need it.

The goal of this policy is to keep you connected and disconnecting your Flip service will be our measure of last resort.

### 1. Eligibility

As an active Flip customer, you are eligible for financial hardship assistance if a) your situation meets the definition of financial hardship; and b) you wish to access the options for assistance we have available.

Financial hardship means a situation where:

- you are having difficulty paying your Flip bills, which might be because of:
  - personal or household illness;
  - unemployment;
  - low or insufficient income, including reduced access to income;
  - being a victim survivor of domestic or family violence;
  - a death in the family;
  - a change in personal or family circumstances;
  - a natural disaster;
  - unexpected events or unforeseen changes that have impacted your income or expenditure; or
  - other reasonable causes; **and**
- you believe that you will be able to get back on track with your payments if, together, we agree, and implement a payment plan or other type of financial hardship assistance under this policy.

We will assess your application based on the eligibility criteria above.

## 2. Applying

You can apply for financial hardship assistance using any of the following options:

- downloading and completing the Payment Assistance Application Form accessible at <https://flipconnect.com.au/payment-assistance-application> or attached to this policy as Attachment A, then sending the completed form (including your account number or full address) by:
  - email to [creditcontrol@flipconnect.com.au](mailto:creditcontrol@flipconnect.com.au); or
  - post to Flip TV Australia, Locked Bag 9002, Maroubra NSW 2035; or

## 3. Supporting information

You are not required to provide evidence to support your application if you are:

- seeking assistance for a period of no more than 3 billing cycles; or
- a victim survivor of domestic or family violence.

In all other circumstances where the assistance will be needed for a continuous period of more than 3 billing cycles, we may request information (including documents) about your financial position from you, if:

- the amount to be repaid is more than \$1,000;
- you have been a Flip customer for less than two months; or
- we reasonably believe there is a possibility of fraud.

We will only ask for information that is strictly necessary to assess your eligibility for financial hardship assistance and will not ask for irrelevant information or information that would be unreasonably onerous to provide.

Examples of information that we may ask you to provide include:

- income and expense statements;
- Centrelink statements;
- bank statements;
- medical certificates;
- evidence from a financial counsellor or other relevant third party; or
- a statutory declaration or official written communication from a person or support group familiar with your circumstances.

We may not be able to complete our assessment if you don't send us the information that we ask for or if the information is incomplete. If you provide information that is false, inaccurate or misleading, your application may not be approved or we may cancel any arrangement that is in place.

#### 4. Options for assistance

The financial hardship assistance that we offer you will be realistic, appropriate and tailored to your needs. Options may include:

- temporarily postponing, extending or deferring the time for paying a bill;
- payment plans which are tailored to meet your ability to pay;
- transferring you to a different telecommunications product that better suits your circumstances;
- applying a credit to your account;
- discounting a bill charge; or
- offering a free non-automatic payment method.

#### 5. Process and timeframes

We will follow the following process in managing your application:

1. We will acknowledge receipt of your application and request any supporting information required to conduct our assessment within two business days of receiving the application.
2. We will discuss your application with you and assess your eligibility for financial hardship assistance within 5 business days of receiving a complete application. We will also update you if the process is taking longer than expected.
3. We will inform you of the outcome of our assessment within 2 business days after completing the assessment. If it becomes clear to us that you are not eligible for financial hardship assistance, we will advise you immediately.
4. If we consider you are eligible, we will offer you appropriate options for assistance.
5. If you agree to implement one of the options for assistance that we offer you, we will give you a notice in writing setting out the details of the arrangement within two business days.
6. The arrangement for financial hardship assistance will start as soon as you indicate that you agree to implementation.
7. If we consider you are not eligible or you do not agree to the offered options for assistance, you can make a complaint to or ask us to review our decision (further information available under '6. Complaints and reviews' below).
8. If you are not satisfied with the outcome of a complaint to us, you can make a complaint to the Telecommunications Industry Ombudsman (**TIO**) (further information available under '6. Complaints and reviews' below).
