

## CRITICAL INFORMATION SUMMARY

### Information about the service

Flip's NBN Home Plans are designed to provide residential Broadband and Home phone VoIP services over the National Broadband Network in Australia. Flip Services are Subject to Fair Use Policy as stated the Flip Standard Terms and Conditions

#### Inclusions and Exclusions:

This is a residential only Service that includes Unlimited Data. It does not include priority assistance or Static IP's. Static IP's can be rented from Flip pending availability

#### Availability

Flip's NBN service will only operate in NBN enabled areas and is conditional on our supplier having network coverage. All plans are available only on direct debit through a nominated Credit Card and are subject to credit assessment.

#### Equipment

You will need a compatible NBN/VDSL/VoIP Modem router and an Analogue handset for the VoIP phone (plugged into your Modem/Router). Modems can be purchased from Flip. Flip's NBN services will work in most situations and support a wide range of devices however, particularly with older equipment based on analogue technology i.e. Medical or back to base alarms, Faxes Machine, etc, are instances of non - compatibility. Please refer to your manufacturer instructions for any compatibility issues or contact Flip for more information.

#### Minimum Term

Flip's NBN plans have no minimum commitment. These are month to month and are non refundable.

## Other Information

**The Order:** Once we have begun setting up your NBN service, the order cannot be withdrawn without charge.

**Activation Date:** Flip will rely on the NBN in relation to service activation date and billing charges, irrespective of whether the service is online. It remains the customers' responsibility to connect the service.

**Termination Notice:** You may request to cancel the NBN service by providing a minimum 30 day notice. All plans are non refundable.

**14 DAY SATISFACTION GUARANTEE:** Our 14 Day Satisfaction Guarantee allows you to cancel within the first 14 days of connecting your nbn™ services and not be charged your monthly nbn™ plan fee. Please note: all hardware (modem, mesh, etc.) are non-refundable and are covered by Manufacturer warranty.

**Billing and Payment Information:** Billing is monthly with the NBN service start date being the beginning of your billing cycle. The first bill charges pro rata to the end of the month of activation plus the following month; thereafter, an advanced monthly charge applies to all subsequent invoices. Advanced payment also applies to Other Costs (see table above). Call charges are only for the month of billing e.g. calls that you have made in May are billed in June. All plans are available only on direct debit through a nominated Credit Card. Flip will bill you for all calls including Local, National, International, and calls to mobiles except when the NBN Phone Packs provide exemptions. I.e. Standard Phone Pack is inclusive of Local, National and Bonus Pack is inclusive of Local, National and Mobile calls.

**Customer Service Guarantee:** Flip's NBN Bundle/Phone plans are optimised to represent the best possible value and as such, it is a condition in accepting this service that you agree to waive CSG (Customer Service Obligation) as pertaining to NBN Phone service. (Flip NBN Phone /VoIP services under this clause are designated as a standard Telephony service). For full details of the Telecommunications Act - CSG Click here:

<http://www.acma.gov.au> or alternatively, contact Flip on 1300 354 788. Telephone service during a Power Outage - During a power failure your Flip NBN phone will not operate nor will you be able to make or receive calls, including emergency calls i.e. 000. Further, Flip NBN phone plans will not support Priority Assistance. E.g. Medi Alert. If you have a requirement to use an alarm service that is dependent on the availability of the phone service, it is paramount that you consider the provision of a suitable Battery backup unit for use in the event of a power outage. Flip does not supply a battery backup with the power supply. Further information is available on [www.nbnco.com.au/battery](http://www.nbnco.com.au/battery)
